to glide across the page with the minimum of fuss? Do you think some people simply have these skills, and others don’t, and that there is nothing we can do about it? This book just might change your mind. Addressing each landmark stage of the essay writing process, How to Write Better Essays teaches you how to • analyse the question and break down difficult terms and concepts • brainstorm effectively and generate your own ideas • evaluate the evidence and present a balanced argument • structure your essay to maximise your argumentative points • write a draft you can be proud of, without hesitation or拖沓 • proofread and edit to make your argument glide across the page with the minimum of fuss

How to Write A Thesis is unlike any other writing manual. It reads like a novel. It is opinionated. It is frequently funny. It is not only offers practical advice but also considers larger questions about the value of the thesis-writing exercise. How to Write a Thesis, in which he offered useful advice on all the steps involved in researching and writing a thesis—from choosing a topic to organizing a work schedule to writing the final draft. Now in its twenty-third edition, in Italy and translated into over fifteen languages, How to Write a Thesis has become a classic. Remarkably, this is its first, long overdue publication in English. Eco’s approach is anything but dry and academic. He not only offers practical advice but also considers larger questions about the value of the thesis-writing exercise. How to Write Better Essays teaches you how to • analyse the question and break down difficult terms and concepts • brainstorm effectively and generate your own ideas • evaluate the evidence and present a balanced argument • structure your essay to maximise your argumentative points • write a draft you can be proud of, without hesitation or拖沓 • proofread and edit to make your argument glide across the page with the minimum of fuss

The Future of Academic Writing: Why We Must Create Work That Meets Broader Reader Expectations

Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book. He outlines the crucial difference between a dissertation and a book, and you will grasp the components expected of your work "regardless of the subject matter of your research. This book will walk you through the entire process step-by-step, teaching you how to structure a dissertation and writing schedule that will keep the process manageable and not overwhelming. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company presidentâe(tm)s garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with explanations of the processes and principles involved. Each manual is written by subject matter experts and contains friendly and practical advice and addresses questions students have such as: How to choose a topic, manage time, make best use of a supervisor and the best referencing system to use. From Dissertation to Book reveals to recent PhDs the secrets and confronting the limitations of jargon, alongside helpful timetables for light or heavy revision. Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book that an audience will actually enjoy, whether reading on a page or a screen. Germano also acknowledges that not all dissertations can or even should become books and explores other, often overlooked, options, such as turning them into journal articles or chapters in an edited work. With clear directions, engaging examples, and an eye for the idiosyncrasies of academic writing, From Dissertation to Book offers friendly and practical advice and addresses questions students have such as: How to choose a topic, manage time, make best use of a supervisor and the best referencing system to use.
dissertation, How to Write Your Nursing Dissertation is essential reading not just for nursing and healthcare students completing dissertations, but all students who need to develop their critical appraisal and assignment writing skills. This book offers a user-friendly guide to preparing a perfect dissertation. Rather than focusing only on how to draft the report itself, the authors provide readers with material on generating a researchable question, as well as methods for assessing blind spots and learning styles that may get in the way of completing a dissertation. Using examples from a wide variety of disciplines, the authors demonstrate how to write up results, develop appropriate writing skills, and ways to construct tables and figures. In addition, the book includes information on writing up qualitative research, using computer technology effectively to assist in the dissertation process and following ethical guidelines in conducting research. Moving beyond the basics of thesis writing, the book introduces practical writing techniques such as freewriting, generative writing and binge writing. Issues such as working out the criteria for your thesis, writer’s block, writing a literature review and making notes into a draft are also covered. Useful summaries and checklists help students to stay on track or regain their way. Learn how to: Develop good writing habits Overcome writer’s block Understand the assessment process Get the most from your Supervisor New to this edition: New visual map of your thesis to track your progress through the writing process Advice on using social media productively and avoiding potential distractions during your writing More support on writing in a second language Using writing retreats and micro-groups to benefit from writing alongside others New material on how to finesse your thesis by “back-revising” at the final stages Advice on writing schedules for part-time students New chapter summaries to aid reflection and give pointers for next steps
